

ABINGTON TOWNSHIP FIRE DEPARTMENT

OG - 100-102

OUR VISION

Abington Township Fire Department's 2028 vision is to be known as an internationally accredited department committed to the continual pursuit of excellence. As a unified team of companies, we will provide a standardized, cohesive delivery system with an improved stakeholder engagement process that educates and protects the township's community and department members. Additionally, we will strengthen our physical resource acquisition and maintenance system through a collaborative approach that produces efficacies for those we serve.

In recognition of our greatest resource of human investment, we will make every effort to develop, support, and prepare our members to be the best they can be. We will achieve this through effective health and safety programs and staffing engagement processes supported by contemporary volunteer member recruitment and retention methods. We envision a future fire service-focused department that welcomes new, inventive members who embody organizational accountability to our mission and values while always striving to make this vision a reality.
